*Assistant Principal*

Dear Parents,

Each year the district provides parents with an economical option to purchase a student accident insurance policy to cover student accidents either at school or for a 24-hour coverage period (application enclosed). This policy can provide valuable insurance coverage for parents that either do not have insurance, or wish to supplement an existing insurance plan.

This policy is secondary coverage for students who are already covered by a family policy, but shall be primary coverage for the students who have no other insurance coverage. Students purchasing the “at school” policy are covered while at school or while attending any curricular, co-curricular or other school function as a participant under school sponsorship and supervision; and while being transported by approved district transportation. The “24-hour” policy protects students 24 hours per day including the time spent in school or away and even on the weekends. A brief description of the plans and can be found on the attached flyer and additional details including plans and premiums are available on the School Insurance Agency website at [www.schoolinsuranceagency.com](http://www.schoolinsuranceagency.com). ***The School District shall not be responsible for costs of treating injuries or assume liability for any other costs associated with an injury at school.***

The policy is issued through Gerber Life Insurance Company and is administered by School Insurance Agency. If you have any questions concerning the policy, claims or coverage you may contact them at 1-800-541-8256, or visit them on-line at [www.schoolinsuranceagency.com](http://www.schoolinsuranceagency.com). For a parent’s convenience, enrollments for insurance can be completed and paid for on the website listed above. This saves time, postage and paper and is an excellent way for parents that are accustomed to using credit cards for all purchases. Annual premiums for the “At-School”, “24-hour”, or “24-hour Summer Only” coverage plans are as follows (higher benefit amounts may be purchased for an additional cost-see the website for details):

**-At School Coverage-As low as \$9.00**

**-24-hour Coverage-As low as \$65.00**

**-24-hour Summer Only Coverage-As low as \$30.00**

If a parent has a need for a mail back application, you can access one from the School Insurance Agency web site or call School Insurance Agency at 1-800-541-8256.

The District recommends the purchase of this optional insurance at the beginning of each school year or when a new student enrolls during the year since the coverage ends July 31, 2016 regardless, so the sooner you have the coverage, the better the plan becomes.

Sincerely,

Gayle B. Weaver
